

CITY OF

COQUITLAM

COUNCIL ALRT MEETING
OCTOBER 13, 1998

An informal meeting of Coquitlam Council convened in the Council Committee Room on October 13, 1998 at 10:00 a.m. with all members of Council present. Members of staff present were the City Manager, General Manager Planning and Development, and City Clerk.

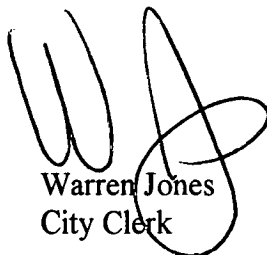

ALRT ROUTES

Members of Council discussed proposed ALRT routes through Coquitlam and the desirability or not of selecting preferable routes and station locations through Coquitlam at this time.

It was agreed that the lack of information from the Project Office on potential ridership makes route and station location selection difficult.

The City Manager said that it is important that Council have a united and consistent stance on ALRT issues and that the decision on routes and stations should remain a Council decision.

It was agreed that for the October 19, 1998 Council Meeting staff would prepare a report that would address and state Council's preference regarding the location of potential stations at Woolridge and Lougheed Mall/Burnaby.
