President's Message

The 1983-84 year has been one of expansion and change for the Coquitlam Area Fine arts Council, reflecting the rapidly changing face of the communities in which the Council strives to encourage and support cultural activities.

We are very pleased to host the fourth annual FESTIVAL of the ARTS in conjunction with Port Coquitlam's May Day celebrations. I would like to thank David Spence, the Festival Co-ordinator for supplying the enthusiasm and energy necessary for such an undertaking. The cooperation of the City of Port Coquitlam, the Port Coquitlam Recreation Department, and Helen Fitch, May Day Co-ordinator, is greatly appreciated. Without this, this event would not be possible.

The Coquitlam Area Fine Arts Council is pleased to have served the communities of Port Coquitlam, Port Moody, Coquitlam, Ioco, and Belcarra for the past fourteen years, and looks forward to a future of continued service and growth in tune with these communities.
