The Municipal Council of the District of Coquitlam met at the Municipal Hall, Maillardville, B.C. Sept 11, 1939 at 7:30 P.M. His Worship the Reeve and all members being present.

Moved by Co. Yates Sec. by Co. Smith,
That the minutes of the previous meeting be approved,
Carried.

The following persons addressed the Council.

B.T. Quadling re a lane west of the Jubilee Hotel. He objected to the lane being ~~###~~ left in its present condition. He claimed that he is unable to get into his property and asked that it be filled in to a level with his lot.

No action was taken in the matter.

Z. Messier re building permit for a house on Lot 13. He stated that three different people lived in the house for two years prior to the time he started to remodel it. He claimed he did not know it was necessary to take out a permit for remodeling a building at the time, but had made application for one as soon as he had heard about it.

At the previous meeting of the Council Mr. Salter representing the Booster's Club had asked the Council why they had issued a permit to Mr. Messier and not to some others. He was told that the building had been used as a dwelling prior to the issuing of the permit, and the lot only lacked a few feet of having the required area for two houses hence the granting of the permit.

Mr. Prothro who applied for the approval of a plan of a portion of Lot 18 Block 2 District Lot 46 for a permit for a dwelling and a store and who was refused at a previous meeting, said that he thought that in view of the granting of a permit to Mr. Messier that he should be allowed the same privilege.
(No action was taken in the matter.)

Mr. Hall asked the Board to install a water main on Alderson Ave East of Lebleu Road under the provisions of the Local Improvement Act.

Co. Allard suggested that the owner furnish the pipe and the Council would have it installed.

Mr. Hall pointed out that some of the petitioners could not afford to pay for the pipe at the present time.

Moved by Co. Hart Sec. by Co. Smith
That the matter be referred to Co. Allard for a report,
Carried.

A large delegation from the Thompson Road asked the Council what they had decided on regarding the installation of a main on this road.

His Worship reported that he had taken the matter up with the Greater Vancouver Water District Engineer and he had advised him that the main would have to be connected with the tank as the Clark Road water main would not supply sufficient water for the Thompson Road system. His Worship suggested that a main be installed under the provisions of the "Local Improvement Act"
